

CHORE services

Description

CHORE provides help with indoor and outdoor home maintenance services to help enable older adults to continue to live independently in their own homes for as long as possible. This program is funded in part by the Metropolitan Area Agency on Aging as part of the Older Americans Act.

Services

CHORE services include seasonal yard cleanup, snow removal, grass mowing, window washing, heavy indoor cleaning and minor home repairs.

Seniors who may benefit from additional CAP Agency services such as Energy Assistance, Weatherization, Food Shelf, SHIP health insurance counseling and Emergency Services and/or connections to other community services may also receive referral assistance.

Participation

Adults age 60 and older who live in Scott and Carver counties and who are in need of this support to remain safely independent are eligible for CHORE services. Persons may be identified through CAP Agency Senior Dining and Meals on Wheels programs or through other human service providers in Scott and Carver counties.

Cost

CHORE services may be subject to a sliding-fee scale based on income.

Volunteer Opportunities

Ongoing and one-time volunteer opportunities are available for interested individuals and groups who are able to perform light to heavy indoor and outdoor home maintenance tasks.

Contact Information
