Investing In People, Building Community

Dear Sponsor,

The Holiday Season is fast approaching and the CAP Agency is getting ready for our annual ***Hope for the Holiday Project***.

Thanks to your support in 2008, we were able to provide over 5,000 individuals with gifts throughout the Holiday Season. Our demand this year will be very similar.

Your sponsorship and generosity in the past has been very much appreciated. Would you be so generous again this season, to open your heart and sponsor a family?

Attached you will find a form to complete and return using the enclosed addressed envelope. If you are interested in sponsoring, please note on the form how many individual(s) you would like to sponsor. We will then determine the number of families based on the number of individuals. A family consists of the children and the parent/parents, each receiving 1 or 2 gifts. For example if you want two individuals, you will receive 1 child and 1 parent or parents. Sponsoring parents is not optional, so please include that in your decision on how many individuals to sponsor.

You will start receiving your family/families, to sponsor in early to mid November. You will also receive an instruction sheet providing you with details of the program that will include location of distribution site, dates and times.

If you have any questions, please call Amy Truax or Vicki Stahlke at 952-402-9871.

We look forward to hearing from you and partnering once again to provide families in need with Hope for the Holidays.

Sincerely,

Vicki Stahlke

Amy Truax
